

CONVINCE YOURSELF!

„For me, CosmeticBusiness is one of the most important and concentrated trade fairs. I've regularly visited the trade fair in Munich since 2010 and I am always very happy with my visits. CosmeticBusiness is the place to talk with the right people and business contacts from the packaging sector. In 2018 I also noticed the exhibitor spotlights.“

„My experience of CosmeticBusiness 2018 in Munich was once again very positive. I have been visiting the trade fair for four years now because I have found that it is a well-structured and comprehensive range of products from the cosmetics supplying industry. At CosmeticBusiness I have the opportunity to get in touch with important contacts and have productive discussions in a pleasant atmosphere. I'll definitely be back next year.“
