

INFORMATION SHEET

Sustainability fee

Your contribution to an environmentally friendly, resource-saving and socially responsible trade show.

Why does this lump sum exist?

It fulfils legal requirements (e.g. Recycling Management Act) and enables investment in sustainable trade show concepts.

What is included?

- Up to 100 % green electricity at the exhibition centre and for your stand
 - Promotion of renewable energies
 - Environmentally friendly waste disposal at the stand during the trade show (up to 100 litres)
 - Fraction-appropriate disposal and recycling in accordance with the Commercial Waste Ordinance
 - Use of sustainable materials, e.g. recyclable carpeting
 - Recycling of paper waste through Tork PaperCircle
-

What is not included?

Waste from assembly and dismantling, hazardous waste and large quantities of packaging.

Thank you for supporting a climate-friendly event!
